

Workshops on Public Health Topics - Sustainable Lifestyle, Sustainable Health

We invite you to participate in five engaging workshops focused on public health issues:

1. Sustainable Lifestyle, Sustainable Consumption?
2. The Effects of Climate Change on Human Health
3. We Are Connected: The Relationship Between People and Nature
4. Do Sounds and Noise Connect or Divide Us?
5. What We Learned & Your Voice

Through interactive tools and games, we aim to explore the current challenges arising from our lifestyles and the complex connection between human health and the health of our planet.

How can we find solutions? How can we focus on the future?

Join us and find out!
